INTRODUCTION

TO: Coordinators and Field Examiners:

Pursuant to Indiana Code Section 3-12-10-8, the State Board of Accounts (SBOA) "shall conduct any recount or other contest proceeding ordered by the State Recount Commission" This manual is designed to meet the needs of recounting federal, state, and legislative elections as required by law, and is subject to change. The State Board of Accounts intends this document to instruct Coordinators and Field Examiners in the internal agency procedures necessary to carry out our recount duties and responsibilities. For the convenience of our staff, we have enclosed, as an appendix, the guidelines adopted by the State Recount Commission, as well as relevant Indiana Code citations. As always, any questions or problems will be resolved by Coordinators or on-site supervisors acting through and on behalf of the State Examiner and the Deputy State Examiners who comprise the State Board of Accounts. This manual is not intended to be used by local officials for local election recounts.
